EDUCATIONAL BACKGROUND

Saint Joseph Primary School—Kigali, Rwanda
College Gorge Fox De Kagarama—Kigali, Rwanda
GS Kicukiro—Kigali, Rwanda
GS APADE—Kigali, Rwanda

September 2012 – May 2022

WORK EXPERIENCE

Mbaza NLP – Kigali, Rwanda

April 2023 - June 2023

- Worked on the development process of an **NLP Project** and I participated as a Frontend developer. Mbaza NLP Is a community working on Natural Language Processing (NLP) for Kinyarwanda and other low-resource languages.
For example, we are working on Kinyarwanda automatic speech recognition (ASR, also known as Speech-to-Text, STT), Text-to-Speech (TTS), and semantic Chatbot.

INTERN

IRO (Igire Rwanda Organization) – Kigali, Rwanda

February 2023 - June 2023

Took the **6 months Bootcamp of web Designing and software development**. During the Bootcamp, I developed My **Portfolio** using **HTML, CSS and JavaScript**. A cloned **movie website** using **React**, an **extension** that turns a Background of the web into dark mode using **JavaScript, JSON** and also worked under an **NLP Project** as a Frontend developer in an organization which is called **Mbaza NLP MongoDB** for accessing a **database**.
